About the square-cut corsage and elbowsleeve these frosty incrustations of leaves and acorns overlay the drifts of snow lace that shadowed the same chaste patterns mingled with roses on the underlying ruches of tule,

A Chapter on Pienies. Galveston (Tex.) News.]

The picnic is one of the most ancient institutions there are. general thing they are not what they are cracked up to be, but they are very popular, nevertheless. began with the garden of Eden, and have been going on ever since. This shows that all mankind are really descended from Adam, and Eve, of course, too. It is inherent in man to prowlabout occasionally like an Indian. and as long as there are people and bushes to prowl about in, picnics will be kept. The pienie attains its full size in the north. There was one the other day at Paterson, New Jersey, which resulted in a row, in which several persons were killed and wounded. When a pienic takes place near a large city, it is not considered a success unless some nice young man sits down on the custard pie. Usually, when the excursionists arrive on the grounds they find every preparation has been made to receive them. The mosqui demanding that the national government exercise banking functions, and
Directly or indirectly all the cost of keeping the White house, except those bands.
